

West Sacramento Teachers Association

February 22, 2022

WSTA and WUSD met on Tuesday, February 22nd to continue successor negotiations for the 2022-2023 school year. During this session, we focused on Article 8 (Negotiation Procedures), Article 14 (Duty Hours), Article 15 (Work Year). In addition to the work on our successor agreement, extended independent study procedures and policies were also discussed.

We were able to reach our second tentative agreement on Article 8. We are proud to highlight the following language:

- Deleted language requiring WSTA to wait until after May 1st to sunshine articles for the subsequent year
- Increased the number of bargaining team members who can receive release time for bargaining and preparation

We continue to work on language for Article 14 and 15.

Our team is scheduled to meet with the district to continue this work on:

Wednesday, Mar 9
Wednesday, Mar 23

Tuesday, April 5
Wednesday, May 11

Please keep an eye out for future updates from our WSTA bargaining team so that you can be a part of the two-way communications we intend to continue throughout negotiations. If you have questions, concerns, or input, please contact WSTA at wstaebboard@gmail.com.
